ORDERING INFORMATION

MINIMUM ORDER: \$25.00 (merchandise total, before shipping & handling.)

GENERAL INFORMATION

For orders received before 2:00 p.m., Monday through Friday, Metalliferous will process your order the same day. Orders received after 2:00 p.m. will be processed the following business day. Metalliferous ships most orders within three (3) business days. Special delivery requests, such as UPS Next Day Air, will be given priority treatment.

ORDER BY PHONE

(212) 944-0909 • (888) 944-0909

Monday-Friday 9:00 a.m. - 5:00 p.m. E.S.T.

To speed the ordering process, please fill out a copy of the order form completely and have it ready when you place your order. Also, remember to have your credit card and phone number ready. Metalliferous uses your phone number to track your order.

ORDER BY FAX

(212) 944-0644

Complete all required information on the accompanying order form (be sure to note item numbers, page numbers, quantities, descriptions and unit prices) and fax it to us. Please include your daytime phone number.

ORDER BY MAIL

METALLIFEROUS

34 West 46th Street
New York, NY 10036
Attn: Mail Order Dept.

Complete all required information on the accompanying order form (be sure to note item numbers, page numbers, quantities, descriptions, and unit prices) and mail it to us. Metalliferous cannot complete orders without your daytime phone number. If you are ordering raw silver products (sheet, wire, tube, rod, or discs), please note that the actual price charged to you will be calculated as of the day your order is received by the Mail Order Dept. If you are paying by check, please remember to sign and enclose your check with the order form. If you are paying by credit card, please write your credit card number and expiration date in the space provided and sign on the line below.

PAYMENT METHODS

Metalliferous accepts MasterCard, Visa, American Express, personal checks, business checks, money orders, and certified checks. For all C.O.D. orders, we request payment by either money order or certified check only. Please remember to note the method of payment on the order form.

RETURNED CHECKS

Checks returned by the bank are subject to a \$20.00 charge.

SHIPPING & HANDLING

Metalliferous ships most orders via UPS GroundTrack. UPS will not ship to a post office box. UPS will only deliver to a street address. Make sure that someone is available at the "SHIP TO" address to receive your package. Please allow 2 to 12 business days for UPS ground shipments (depending on location). For orders shipped within the Continental United States, add the following shipping charges:

Orders from \$25.00 to \$45.00	\$6.95
Orders from \$45.01 to \$65.00	\$7.95
Orders from \$65.01 to \$100.00	\$9.25
Orders over \$100.00	\$11.25

Orders shipped to Hawaii and Alaska will be shipped via UPS Second Day (Blue Label). Some orders to Hawaii and Alaska valued at less than \$50.00 may be shipped via U.S. Postal Service. Orders shipped to Canada will be shipped via UPS Standard to Canada. Orders shipped overseas are best shipped via FEDEX using the customer's own FEDEX account. Where necessary, additional shipping charges may apply. Metalliferous will ship via FEDEX on a customer's own FEDEX account upon request.

For packages valued at \$100.00 or more, we will require a signature at time of delivery.

FASTER DELIVERY

If requested, Metalliferous can provide faster delivery service via UPS Next Day, UPS Second Day, UPS Third Day Select or Federal Express (appropriate charges will apply).

C.O.D. FEE

C.O.D. packages are shipped by UPS only. There is an additional charge of \$5.50 for all C.O.D. orders (this fee is updated by UPS every February).

HAZARDOUS MATERIALS

Several JAX Master Metal Finishing products are classified as hazardous by UPS. If you are ordering any JAX products that are hazardous (they are marked with an asterisk in the catalog on page 108), please include an additional \$15.00 to cover the UPS HAZMAT charge (this fee is updated by UPS every February). Hazardous materials must be shipped via UPS Ground Service. Orders that contain items considered hazardous by UPS will not be shipped C.O.D.

DAMAGED or OPEN PACKAGES

Should a package arrive damaged or open, you must inform the driver and contact UPS or the appropriate carrier. Inspect the package with the UPS representative and remove any items that are undamaged. If the items delivered in an open box are undamaged and the order is complete, there is no need to return the package. If the order is incomplete or there is damage, UPS will return the package to Metalliferous. Remember to save EVERYTHING (including the shipping materials) so that we can determine what needs to be reshipped.

INCOMPLETE ORDERS

Notify us within 48 hours of receipt of your shipment if your order arrives incomplete. Metalliferous makes every effort to ship complete orders; however, if you should receive an incomplete order: 1. Contact us. 2. Have the invoice number, item number and description of the missing item(s) ready before you call. A Metalliferous representative will check shipping records and attempt to resolve the discrepancy as quickly as possible.

RETURNS

Prior to returning any merchandise you must contact a mail order representative to obtain authorization.

Merchandise must be returned to us within ten (10) days of receipt, in resalable condition, insured for full value, and shipped pre-paid along with a copy of your sales slip/invoice. Packages returned C.O.D. will not be accepted. Custom orders are not returnable. Before returning any items, contact us at (212) 944-0909; we will give you a Return Authorization Number. This number MUST accompany the returned item(s) and be written on the outside of the box (ATTENTION: Returns Dept.). Upon receipt of the undamaged, unaltered merchandise, we will issue a credit or a refund for the value of the merchandise (less a 10% restocking fee); shipping charges are non-refundable and do not count towards credit. Metalliferous reserves the right to determine whether any goods have been altered or damaged. Credit will be issued only upon our examination of the returned items.

PRODUCT AVAILABILITY

Metalliferous makes every effort to keep the items in our catalog in stock. However, due to unforeseen events, certain items may occasionally be out-of-stock. If any item on your order is unavailable, Metalliferous will place the item(s) on back order. Should you not want the items placed on back order, please check the appropriate box on the order form or inform the sales representative when you place your order.

PRICING POLICY

Metalliferous has made every attempt to accurately price the items in this catalog. In the event of a typographical error, we will advise you of the correct information when you place your order. Prices are subject to change without notice.

SALES TAX

New York State residents, please add applicable sales tax to your order after adding all applicable shipping charges (Shipping & Handling, HAZMAT, and C.O.D.).

SUPERDIE I - KIRKSITE

(4% aluminum, 3% copper, 93% zinc) Fluidity: Good. Casting Temperature: 780°F-835°F. Sold in ingot form. Each ingot weighs approximately 2.5 lb. Kirksite metal is a low melting alloy that can be used to make simple dies. It melts like lead and solidifies as hard as steel. The male die is placed in the molten Kirksite and removed just before the material solidifies.
